**African event Architects.**

On Friday March 13 2009, our annual event, the Trade & Investment Gala Dinner, took place in Montecasino Johannesburg. Together with the help of African event Architects (AEA) the event became a great success.

AEA delivered SANEC a great job during the preparations, the actual event and also afterwards. AEA supported SANEC wherever it was necessary. Their work has been a major factor in the success of our Trade & Investment Gala Dinner 2009.

I can confidently recommend AEA as a solid and reliable partner, and experts in their field.

Yours faithfully,

Mr. Douwe Mateman.
